Advent Books - Sending a leaflet to every home in the UK advertising The Great Controversy and postal Bible studies FREE.

## PRAISE GOD!

Over 900 requests for The Great Controversy over the last 6 weeks. These have mainly come from the Birmingham, Cambridge and Jersey areas. It is so exciting to know that there are over 900 copies of "The Great Controversy" in peoples homes, being read or simply just planted there for when the time is right.

Time is short and there are many more homes which need to receive this truth filled literature; yes another 20 million more homes to be reached, and step by step the Lord will get us there.

## FUTURE MAILINGS:

Guernsey	22,612
Leicestershire	364,570
Oxfordshire	227,925
<b>Total</b>	<b>615,107</b>

Yes over half a million homes to be covered.

Please have special prayer for these areas going to be covered and pray that more areas will have the opportunity also.

## PLANNING AHEAD

Time is short and we need to ad-

vance forwards without delay and reach many more neighbourhoods. There is another 20 million more homes, which need to be covered, but step-by-step, by God's grace this work will advance. We may think that we cannot do much but if every person just did their little bit then this work would advance at great speed.

**Sponsor 1000 Leaflets.** Why not sponsor 1000 leaflets to be distributed. This costs £50.00 (\$75.00) for 1000 leaflets, and this includes all costs. Just imagine if every house has 2 - 3 people in then a total of 2-3 thousand souls would have the opportunity to receive The Great Controversy and postal Bible studies both of which are free.

## WEB PAGE

The month of November has been our busiest month ever for having people visit our web page. Over 678 people have visited our web site and these have been from 23 different countries around the world. We have also had 35+ people requesting items on line, which includes The Great Controversy, Steps To Christ, 3 different postal courses which are - Bible study, Sabbath and Health. Praise God for this. This is just another way souls can be reached.

As well as requesting the books "Steps To Christ" and "The Great Controversy" they can also read these on line, which people do.

People are also connecting up to

download "The Great Controversy" and "Steps To Christ" in text format. People may then forward this onto friends and family. So who knows how many people have read these books this way.

If you would like to link to our site or advertise it on literature etc the address is: [www.adventbooks.org](http://www.adventbooks.org).

## 'POST BAG'

"Dear Sirs

Thank you very much for sending me "The Great Controversy". I am not a rich man but please accept this mite towards the.. expenses incurred in printing and dispatching these very commendable instruction books.

It will be my bedtime reading after the new and old testaments. I will see if I can interest others in your books. Your faithfully"

This Non-SDA's example is a witness to each one of us.

## LETTER FROM A PENTECOSTAL MINISTER

Today we received a letter from a Pentecostal minister in the south of England who was requesting 5 copies of the book National Sunday Law and 3 Copies of The Great Controversy. Praise God for this! Lets hope he shares these books with his congregation and that many souls will find Christ. It is

most inspiring to see truth filled literature going to other faiths.

**PERSONALLY DISTRIBUTING**

Your help is needed in distributing these leaflets to people's homes by hand. Even if your area has been totally covered by a bulk mailing it is still important that these areas are re-covered giving the people another opportunity and maybe a different person in the household may find it this time.

It is a blessing to know that the leaflets you have distributed are touching people's lives and they are responding to these, requesting both Bible studies and The Great Controversy.

OVER 6300 Copies of The Great Controversy have been mailed out to people requesting them. The majority of these have been sent to the UK but we do get requests from countries around the world, such as Africa, India, Europe, USA, the Philippines.....

**TIME IS RUNNING OUT**

During the last week or so a new bill has been voted by Parliament and is being reviewed by the House of Lords, and this could be used against the book "The Great Controversy". This Bill primarily looks at anti-terrorism but also includes a section about Religious hate laws. A group of MP's were asked if Ian Paisley would be breaking this law by calling the Pope the anti-Christ and a lot of them replied back with the answer - "Yes".

I do not know how much longer we have to distribute this book as freely as we do and this is why we are keen to distribute as many as possible today before it is too late.

**OUR WATCHWORD IS TO BE: ONWARD EVER ONWARD**

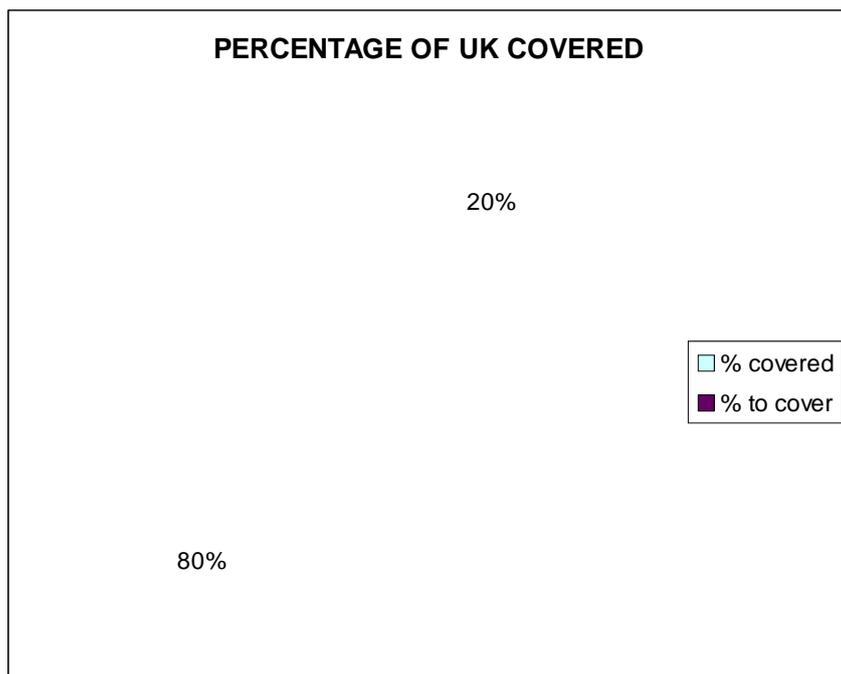

“Our watchword is to be: Onward, ever onward. The angels of God will go before us to prepare the way. Our burden for the “regions beyond”

can never be laid down until the whole earth shall be lightened with the glory of the Lord.”

“The missionary spirit needs to be revived in our churches. Every member of the church should study how to help forward the work of God, both in home missions and in foreign countries. Scarcely a thousandth part of the work is being done that ought to be done in missionary fields. God calls upon His workers to annex new territory for Him. There are rich fields of toil waiting for the faithful worker. And ministering angels will co-operate with every member of the church who will labor unselfishly for the Master.” 6T 29

**PRAY**

Please pray for the work of Advent Books and please pray also that the Lord will keep His hands over our ageing printers that they will continue to print the gospel. Our old printer has done 4.6 million copies and these are expected to do about 3 million. - The power of prayer.

**Our aim is to cover the whole of the UK this means there is approximately another 80% more homes to cover.**

**FUNDS NEEDED TO COMPLETE THE UNITED KINGDOM:**

**£1.1 million**

**or**

**\$1.5+ million**
