Advent Books - dedicated to spreading the Three Angels Message through the written word. Operating by bulk mailing leaflets advertising The Great Controversy and postal Bible studies (both free).

Lets get the job done

Brothers and sisters are you tired of this sin sick world? Yes. Then why are we still here? There are 2 answers to this.

1. We have not fully given our hearts to Christ and we are not ready.
2. And we have not proclaimed the message to the world.

Will you today decide to FULLY follow Christ and put ALL your efforts into spreading The Three Angels Message.

ENGLAND NEEDS YOUR HELP

Whilst I was searching my SoP CD I came across this quote. Yes there is work going forwards in England and there are workers who are striving to preach the message but this quote still does apply.

"There is a great work to be done in England. The light radiating from London should beam forth in clear, distinct rays to regions beyond. God has wrought in England, but this English-speaking world has been terribly neglected. England has needed many more labourers and much more means. London has been

scarcely touched. My heart is deeply moved as the situation in that great city is presented before me. It pains me to think that greater facilities are not provided for the work throughout Europe. I have sore heartache as I think of the work in Switzerland, Germany, Norway, and Sweden. Where there are one or two men struggling to carry forward the different branches of the cause, there should be hundreds at work. In the city of London alone no fewer than one hundred men should be engaged. The Lord marks the neglect of His work, and there will be a heavy account to settle by and by.

If the workers in America will impart to others of their great mercies, they will see prosperity in England. They will sympathize with the workers who are struggling with difficulties there, and will have the heart to say, not only in word but in action: "All ye are brethren." Matthew 23:8. They will see a great work done in London, all through the cities of England, and throughout the different European countries." 6T 25, 26

Planned Bulk Mailings

In the next few months we are planning the following bulk mailings:

Cambridgeshire	151,000
Dorset County	92,000
Warwickshire	325,000
Total	568,000

Yes a total of over **HALF A**

MILLION HOMES where the people will have the opportunity to receive The Great Controversy and postal Bible studies.

This may seem a lot but there is still approximately **22 million** more homes to do and we need your help to cover these.

Sponsoring More Areas

We would like to encourage YOU or your church group to sponsor a chosen area in the UK so that every home will have the opportunity of receiving The Great Controversy and postal Bible studies.

Letters

As well as replies we also get feedback from people who have received The Great Controversy and here are just 2 letters we have received just a couple of weeks ago:

"You so kindly sent us a leaflet for a free copy (of The Great Controversy) which we sent for - and it is quite the most wonderful God inspired book I have ever read, after my King James Bible of course. Thank you! We now require a copy for a minister whom we met..... Many many thanks and God bless you." From a lady in Wales

"Many thanks for the books Patriarchs and Prophets and Desire of Ages. Many questions have been

answered and understood. Now I would be much obliged if you could send me Ministry of Healing by E.G. White..... Mrs E. G. White I find writes in such a way as it makes the particular subject stand out and become alive, very absorbing. Could you furnish me with information about Mrs. E. G. White. Yes I have read Patriarchs and Prophets and Steps to Christ. Very good! Have not come in contact with such an inspired writer. Look forward to Ministry of Healing, which I am sure will be just as high in standard. Certainly packs a punch if you know what I mean! From a lady in Tyne-and-Wear.

Ministry Idea Spreads Abroad

We are delighted to hear of other people in different countries around the world wanting to do a similar type of work that Advent Books does. A friend in Australia who first heard of this work listening to an Advent Books mission report whilst here in Europe, has been sending leaflets out for over 6 months now - praise God. By Gods

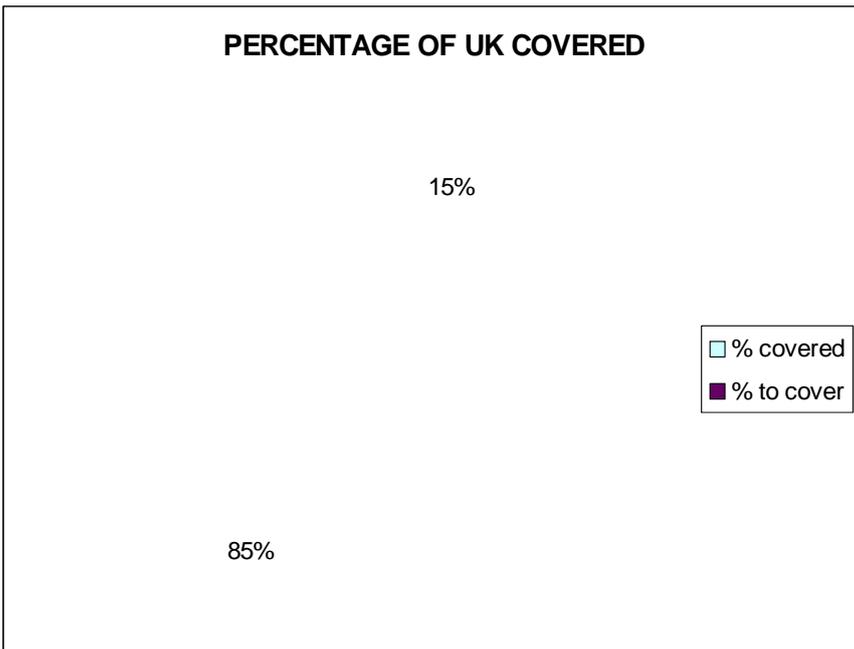

grace he has been able to send out thousands of leaflets and has had over 146 requests for The Great Controversy - praise God. Having heard of this work we know of other people in South Africa, Denmark, Hungary, Philippines and maybe USA wanting to do a similar work. I would encourage you and your family or church friends to do likewise. You may wish to contact us if you have any questions on how to do this work.

Printers

We are delighted to let you know that we have both of our high speed digital printers working now. This means we can print 12,000 leaflets an hour.

Prayer Request

We ask that you will remember the work of Advent Books in your daily prayers and that the Three Angels Message will be proclaimed in England and throughout the world.

Our aim is to cover the whole of the UK this mean there is approximately another 85% more homes to cover.
