## TIME IS RUNNING OUT

As each day passes we see and hear snippets of news which point to the removal of our liberties and freedom to distribute books like The Great Controversy.

This is why I believe we must work with our Lord and do ALL in our power to spread this book like the leaves of Autumn.

“The end is near, stealing upon us stealthily, imperceptibly, like the noiseless approach of a thief in the night. May the Lord grant that we shall no longer sleep as do others, but that we shall watch and be sober. **The truth is soon to triumph gloriously**, and all who now choose to be laborers together with God will triumph with it. The time is short; the night soon cometh when no man can work. Let those who are rejoicing in the light of present truth now make haste to impart the truth to others.” **9T. 135**

“The Great Controversy should be very widely circulated. It contains the story of the past, the present, and the future. In its outline of the closing scenes of this earth's history, it bears a powerful testimony in behalf of the truth. I am more anxious to see a wide circulation for this book than for any others I have written, for in The Great Controversy, the last message of warning to the world is given more distinctly than in any of my other books.” Letter 281, 1905

## FROM THE POST BAG

This section is dedicated to the encouraging notes and comments people send to us. - Please pray that more people are touched.

“I received a copy of “The Great Controversy” by Mrs. E. G. White earlier this year. I am reading through the book and find it most interesting, difficult to read due to the ‘old worlde’ style but then it was written some time ago. I see myself as a Christian and find myself agreeing with Mrs. E. G. White’s criticisms of Roman Catholicism. *This is the first book I have read that traces roots of modern day Christianity back to Jesus* (although I am sure there must be others). We need to understand where traditions have emerged from and the influence they have on the church, so thank you for this book.” **Peter from Canterbury England**

“May God help you in evangelism through literature. Actually this programme has helped me and my friends to know the present truth.” **Zimbabwe**

“I have been reading many books but the one which attracted me most is “The Great Controversy”. At first I only thought that all books are the same but once I read this book from a friend of mine, I totally experienced the difference and had a change of character in my life. It also gladdened my heart and added more faith to my life.” **Ghana**

"The flyer through my door has sparked my interest, I look forward to reading." **Gentleman from the Manchester area**

## 2005 - THE YEAR OF DIFFERENCE

Many of us make New Year resolutions. But I personally believe we should be making 2005 the year when we get serious for our Lord.

As we see our liberties taken away from us, now is the time to spread The Great Controversy before it is too late.
