Dear Friends

CHRIST'S LOVE

Christ's love for mankind can be seen within the inspired word and nature: "“God is Love,” is written upon every opening bud, upon every spire of springing grass.” STC 10. Although the devil has been allowed to deform God's nature, God has still given us beauty: “There are flowers upon the thistles, and the thorns are covered with roses.” STC 10 Just the same way God has allowed sin to enter nature but still allows His blessings to be shown; He has allowed sin to enter into the world, but has given a redemption plan.

For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life.” John 3:16

Although “all have sinned, and come short of the glory of God” Romans 3:23, God has provided a way out. The whole human race has the choice.

“Come unto me, all ye that labour and are heavy laden, and I will give you rest.” Matthew 11:28

This simple loving message is the centre of our religion (Do we choose God or the Devil?) and we have the joy of being able to share this message with every kindred, tongue and people that ALL may have the chance to be saved and

know the love of God.

Oh how much work we have to do in so little time. We see the signs around us - sin, spiritualism, Marian apparitions etc. - telling us we need to work fast and do God's will as He wants us to.

Without God we can do nothing. Our efforts, perseverance and whatever we do, is useless unless we are being led by God. We need to remember that whatever success we have, we need to give the glory to God.

DEVELOPMENTS

This last quarter we have had various little items of news to tell you:

We were able to send 3 Steps to Christ and leaflets to different people in Eire; their names and addresses were passed on to us by an SDA whom my mum met in America.

About 300 of our new booklets “Can Our Dead Speak To US? (Spiritualism)” have been bought or given away. This is a booklet which needs to go out in mass numbers either by being sold or given away.

Just this week we received a letter from an SDA student in Italy to whom we had sent a sample booklet and this was able to help her in witnessing to a friend. Part of her letter reads:

“Mania [a fellow house mate] found at the University an information sheet where [it] was written that there is a meeting of Catholic students every week and she asked me if we [could] go there together. and I said O.K and before leaving the house I took my Bible and this booklet [Can Our Dead Speak To Us? (Spiritualism)] (I have had the feeling that this booklet will be useful for something) and Mania saw this booklet and asked me what it is. I told her that it is talking about the spiritualism and that don't exist an immortal soul. And then we talked about this.....”
K. Italy (German young Lady)

This student was planning on giving Mania the chapter from the Great Controversy in the German version plus the preaching of an evangelist. From this beginning i.e. the student taking this booklet with her, started a conversation and an opening to give literature to her friend.

We have now got all the leaflets printed to be distributed in some of the northern islands of Scotland. These will be distributed in the first 2 weeks of February, so we ask for your prayers that the people will be receptive and find God.

Also in this last quarter we have received a reply from Redditch, from a person who had responded to the leaflet sent out with the initial book request, wanting The Ministry of Healing and Steps To

Christ.

We need to be constantly working for the Lord, whether giving out leaflets, witnessing, preaching or whatever we are led to do. A little

example - nearly every morning before I get to work I give out no more than 15 leaflets but now a great area has been covered. Also in my lunch break I have been able to put out a few leaflets and through this, we have had 2 replies and one of these wanted postal Bible studies. Just by spending a few minutes here and there the Lord can work through us to spread the message.

With all our work we need to persevere, whether the work is going well or not so well. When things are running smoothly, we must not lay back and relax but push onwards, forever onwards for we have a goal to meet. When times are hard and nothing seems to prosper we must still keep moving, still keep working, we may never know the results of our labours on this earth but when we

meet Jesus in heaven we will know our reward. If we stop working, or slow our work down, who gains? - The Devil gains!

“The Lord is willing to do great things for us. We shall not gain the victory through numbers, but through the full surrender of the soul to Jesus. We are to go forwards in His strength, trusting in the mighty God of Israel.”

Gospel Workers p 458

“And ye shall be hated of all men for my name’s sake: but he that endureth to the end shall be saved”

Matthew 10:22

Ask yourself which one question does everyone ask themselves once in a Life time. - What happens when you die? Another point to acknowledge is at the end of time Spiritualism will work hand in hand to usher in The New World Order and The National Sunday Law. This small booklet is an ideal witnessing tool, both appealing to nearly all mankind and preparing people so when they hear of dead people’s spirits giving their loved ones messages, they will know it’s evil angels. As well as the reader of this booklet getting the precious message, they also have the option to buy The Great Controversy and have free postal Bible studies.

This booklet is in a small and affordable form to either be bought to be sold or to be given away.

The miracle-working power manifested through spiritualism will exert its influence against those who choose to obey God rather than men. Communications from the spirits will declare that God has sent them to convince the rejecters of Sunday of their error, affirming that the laws of the land should be obeyed as the law of God. They will lament the great wickedness in the world and second the testimony of religious teachers that the degraded state of morals is caused by the desecration of Sunday. Great will be the indignation
