

# ADVENT BOOKS - UPDATE

## PLANS FOR 2006

2006 brings with it new opportunities to bring souls to our Lord. Below are just some of Advent Books plans for 2006.

- **2.6 Million** homes to receive the offer for The Great Controversy
- Increase circulation of STC and GC Books distributed by SDA's
- Encourage others to distribute leaflets
- Plans to Expand the ministry work.
- **Part Time Bible Worker**

Please pray for these plans that the Lord will bring many more souls to Christ.

## 12.6 Millions homes reached by end of January 2007

By the end of January 2007 over 12.6 million homes will have been covered which is 48% of Great Britain.

To put this in perspective it would mean that every home in Australia would have received a leaflet or that each home in Denmark would have received a leaflet 4 times. Praise God but there is still another 15 Million more homes to be covered.

### NEWS FLASH

From our January Mailings we have already had over 400 Requests for The Great Controversy plus more are expected.

## TIME IS RUNNING OUT

Another year has passed and we are closer to our Lord's return. When we stop and look around us we pause and think, surely the Lord should have come by now. But a little longer and our Lord will return.

"When the character of Christ shall be perfectly reproduced in His people, then He will come to claim them as His own" Christ Object Lesson p69

Christ is waiting for His chosen people and is waiting for you and me to take this message to the whole world then He will come to take us home.

"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." Matt.24.14

Do you want to go home? If you want to go home then let's come to the foot of the cross give our hearts to God and take this message to the world.

“The Great Controversy should be very widely circulated. It contains the story of the past, the present, and the future. In its outline of the closing scenes of this earth's history, it bears a powerful testimony in behalf of the truth. I am more anxious to see a wide circulation for this book than for any others I have written, for in The Great Controversy, the last message of warning to the world is given more distinctly than in any of my other books.” Letter 281, 1905
