**Advent Books** - Sending a leaflet to every home in the United Kingdom advertising The Great Controversy and postal Bible studies FREE.

## News Update

Our first news item is the addition of 2 printers to our printer family. This now means we have a total of 4 printers. Enabling us to double our printing capacity so we can print twice as much as before. Praise God. This means we can print 20,000+ leaflets in an hour. We have got to get the job done and we need the equipment to do it.

## 6.2 million homes covered - 19 million more to go.

So far 6.2 million homes have been covered but we have another 19 million more homes to go. God is good and we must advance without a moments delay. We need to reach these 19 million homes, please pray for this.

## Glasgow and Edinburgh 900,000+ feedback

It is still early days from this mailshot but so far we have received over 520+ replies and out of these nearly 300 people wanted postal Bible studies also. God is good. Please keep praying for more replies from this area.

## 8,100+ souls responded

Praise God since Advent Books started over **8,100** souls have requested The Great Controversy and

out of these **3600+** have also requested postal Bible studies. These are all seeds planted and waiting to spring up when the latter rain is poured out.

## Planning Ahead - Next Mailshot 2.2 million homes

We are planning to cover another area of Great Britain. This time it will go to a collection of cities and towns in the Northwest of England. In total this will be to 2.2 million homes, which has the potential of reaching 4 - 6 million people (that is about the size of the entire Danish population). We are using a different company this time which will be about 1/3 cheaper than Royal Mail - In about 2 weeks time we will be sending our first 100,000 leaflets for a trial run.

## Aberdeen Meeting and Baptism Request

In the last month we had the pleasure of going to Aberdeen, Scotland, where weekend meetings were held by two visiting speakers. They spoke on the Friday evening and all day on Sabbath, covering both the New World Order and other subjects. A small group of people attended which were either new believers or contacts wanting to learn

more. One lady who wants to be baptised, had travelled 170 miles by bus to be at the meetings. (If only we had this zeal then maybe the work would be done by now)

The people attending these meetings were so enthusiastic and wanted to know more, with many questions and encouraged each other by sharing one another's experiences.

## 40,000 copies of The Great Controversy to be Printed

We are now nearing the end of our stocks of The Great Controversy books, which we had printed for Advent Books. We are now planning to do another print run but this time get them printed either in England or closer to home. This time

## Areas Covered So Far

we will be printing 40,000 copies compared with 15,000 last time. Please pray for this project and if you or anyone else wants copies printed at the same time please contact Advent Books. Imagine it, 40,000 more souls with truth filled literature in their hands.

### Time is short

If there ever was a time in earth's history where the world needed to be warned, it is now. We are told that the book The Great Controversy is the book for end times and we must get it out by the millions to warn the people what is coming to this world.

### PERSONAL APPEAL

I personally appeal to you to get involved in the Lord's work while the door of probation is still open for this world. Get involved in personally sharing the message, pray for the work and support it financially.

**The Lord needs His labourers and you are one of them.**

### Start a similar work

Yes you can start a similar work. By God's grace Advent Books was started by a 16 year old school boy, so if God can use a 16 year old school boy He can use you. If you need help or guidance with this please contact Jonathan Bennett, who can be contacted at the Advent Books postal address and e-mail address.

### Feedback from people

All these three people wanted both "The Great Controversy" and postal Bible studies and these are their comments:

"I shall be interested to receive this [The Great Controversy and postal Bible studies] - the world outside frightens me."

"I read bits of this on the Internet." Referring to The Great Controversy on the [www.adventbooks.org](http://www.adventbooks.org) site.

"Any info on Revelation and Genesis would be appreciated"

Just to know that people want to receive the truth makes all the effort and energy worthwhile.

### TESTIMONIES 9, P48

"The great day of the Lord is near, it is near, and hasteth greatly." Zephaniah 1:14. Let us be shod with the gospel shoes, ready to march at a moment's notice. Every hour, every minute, is precious. We have no time to spend in self-gratification. All around us there are souls perishing in sin. Every day there is something to do for our Lord and Master. Every day we are to point souls to the Lamb of God, who taketh away the sin of the world."
