## GOD'S GLORY

We are to manifest God's glory! Mankind was created to help others and glorify God.

"Many misunderstand the object for which they were created. It was to bless humanity and glorify God, rather than to enjoy and glorify self." 4 Testimonies p 354

In whatever we do we need to glorify God.

"Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God." 1 Cor 10.31

Why do we need to glorify God?

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." Matt 5.16

"For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's." 1 Cor 6.20

To glorify God means to live our lives according to the light we have and to let this light shine out to others. This light which shines to others is our personal witness and the witnessing we do through evangelistic ways.

"It is in a life of service only that true happiness is found." RH May

One of the replies from Walsingham was from a Sister in a Priory who wanted "The Great Controversy". Please pray for her, that she will find the truth.

Making the most of every minute :- When going to different places (i.e church) we may spend 20 minutes or so distributing leaflets advertising The Great Controversy. It is surprising how many can be given out in this short time. With the Lords help, responses do come in!

## DEVELOPMENTS

Since our last newsletter we have printed our new booklet called "Why Was Sin Permitted?" which is the first chapter from the book Patriarchs and Prophets by E. G. White. This is 12 pages long and within the book the reader has the opportunity to request The Great

Controversy and Postal Bible Studies.

The leaflet which included an advertisement for the book The Ministry of Healing has now been redesigned. The redesigning includes replacing a picture with a more recognisable graphic and changing the content so it appeals to a wider audience. We have already started printing this leaflet for our next mail shot in Scotland which will be scheduled preferably in February time next year.

We have also had another car boot sale to raise finances for the Lord's work and again we have had the opportunity of giving out literature to different people there.

By the time you receive our next newsletter, all plans should be well on the way and nearly finished for the mail shot in Scotland. We ask you to pray for this work that the people receiving the leaflets will be receptive to the message. This next mail shot will be to finish the Outer Hebrides and then start on the very north part of Scotland. If you would like to sponsor literature distributed through the Royal Mail mail shot scheme, either in your area or somewhere else then please let us know.

All of our leaflets advertise The Great Controversy and Postal Bible studies or The Great Controversy and The Ministry of Healing and free Postal Bible Studies and are available from the address above.

“The message of truth is to go to all nations, tongues, and people; its publications, printed in many different languages, are to be scattered abroad like the leaves of autumn.”

When my parents went away for a weekend they had the opportunity, while giving out leaflets, of meeting a lady who invited them into her house and during the course of their conversation they mentioned how interested they were in the history of the area. (My grandmother used to go there when she was little) This lady had a private video of the area’s history which she showed to my parents and offered to try and find another copy to send to my mum for my grandad (she did find a copy and sent it). As a thank you my mum sent her *The Desire of Ages* and *A Steps To Christ*. And

how did all this start - my mum asked the lady where was the nearest ‘loo’ - there wasn’t one said the lady but you could come to my house..... (loo = restroom for our American readers)

Just today my mum received a letter from her and this is what part of it says:

“Just a few lines to thank you for the books that you sent me. I shall put them on my bed side table and read part of them each night.”

We have a great work to do before the Lord will return. We must not slacken our work as it has just began but press forwards until it is all accomplished, until the whole world has heard the everlasting gospel. Signs are fast fulfilling showing time is short so we pray that with

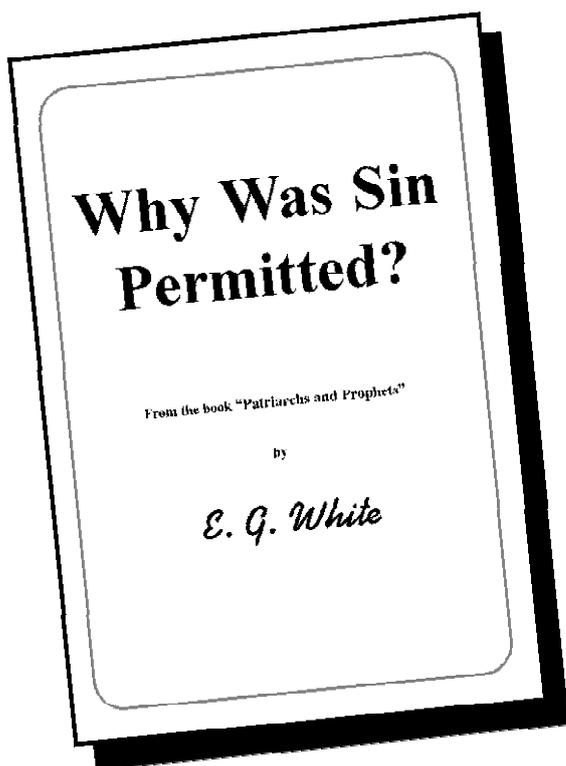

the Lord’s help a great work will be accomplished in His strength.

“To those who have failed of discerning the opportunities of the present hour, I would say: Do you desire to break the spell that holds you? Would you arouse from this sluggishness that resembles the torpor of death? Go to work, whether you feel like it or not. Engage in personal effort to bring souls to Jesus and to the knowledge of the truth. In such labour you will find both a stimulant and a tonic; it will both arouse and strengthen. By exercise, your spiritual powers will become more vigorous, so that you can, with better success, work out your own salvation. The stupor of death is upon many who profess Christ. Make every effort to arouse them. Warn, entreat, expostulate. Pray that the melting love of God may warm and soften their ice-
